FILIPINOS GIVE UP ARTILLERY

American and Spanish Prisoners
Escape from Mangalaron.

A SLIPPERY PERSONAGE.

Youngest Child of Aguinaldo Died
and Was Buried in His Flight—
Money, Rifles and Cannon Belong-
ing to Filipinos Fall into the
Hands of Americans—Young Still
Pursuing Aguinaldo.

(By Telegraph to Virginian-Pilot.)
Manila, Nov. 27.—11:30 a. m.—The in-
surgents have evacuated Mangalaron,
province of Pangasinan, leaving seven
American and ninety-four Spanish pris-
oners, who escaped in the confusion of
the Filipino retreat. The Americans
are P. J. Green and George Powers, of
the battleship Oregon; Thomas Ed-
wards and Charles Bird, of the Six-
teenth Infantry; Henry W. James, of
the Twelfth Infantry; John Desmond,
of the Signal Corps, and F. H. Huber,
of Lowe's scouts. They report that two
Americans, who were unable to escape,
are with the insurgents. They are
David Scott, of the Twenty-fourth In-
fantry, and William Sherby, of the Hos-
pital Corps. Four deserters are with
the Filipinos—Howard, Martin and
Ford, of the Californians, and Watts,
whose former regiment is unknown.
Howard is the only one serving with
the insurgents. He is a captain of
artillery.

WANTS A FIGHT.

Colonel Bell, of the Thirty-fourth Vol-
unteers, arrived at Mangalaron last
evening, after a hard march and for-
ding the Agno. He found that Fowler's
company of the Thirty-third had oc-
cupied the town for two days, the in-
surgents, retreating to the mountains
behind the town, short of food and am-
munition. Beside this his men were
deserting and six cannon, which the in-
surgents were dragging, impeded their
march. Colonel Bell proposes to follow
the Filipinos until he can bring about
a decisive fight, or they are scattered.
Mangalaron was strongly fortified with
rifle pits commanding the roads, but
the insurgents abandoned the place
without firing a shot.

SPANISH PRISONERS ARRIVE.

Manila, Nov. 27.—5:55 p. m.—Three
hundred Spanish prisoners, who es-
caped from their captors before the
American advance, including civil of-
ficials of rank, who have been in the
hands of the Filipinos for more than a
year, and many officers, have arrived at
Manila during the past week. Francis-
co Reyes brought one hundred of
them from General Wheaton. They
were a motley-apparelled and bearded
company. Some were ill, and had to be
carried from Tayug to San Fabian in
army wagons. A delegation of these
former prisoners have visited Major-
General Otis in order to thank him for
his hospitality, which included the fur-
nishing of food and clothes. Senor
Jamarillo, the Spanish commissioner, is
making arrangements to send them to
Spain on board of Spanish transports.

A SLIPPERY PERSONAGE.

Buenavento has been lodged in com-
fortable quarters at the police station
with his family. Other persons are not
allowed to communicate with him. He
is classed as being the most slippery
personage connected with the insurrec-
tion. He was a Colonel in the Spanish
army and a traitor to Spain. At the
time of the first insurrection he tried
to sell out to the Filipinos and his pre-
sent imprisonment excites no sympathy
among his own people, while the Span-
iards think it is mistaken leniency for
the Americans to refrain from shoot-
ing him on the Luneta, the fate dealt
out to better men in the anti-Spanish
uprising.

AGUINALDO'S BABY.

Aguinaldo's youngest child, which
was recently christened at Tarlac with
great ceremony, died and was buried
at Dayamban, in Aguinaldo's flight.
General Wheaton reports that na-
tives have threatened violence to
Aguinaldo's mother, who is now shel-
tered in a convent, with a guard.
General Otis has ordered her brought
to Manila for safety.

PRISONERS AND MONEY.

Washington, D. C., Nov. 27.—General
Otis to-day reports the situation in the
Philippines, in the following dispatch
to the War Department:

Manila, November 27.
"Steamer from San Fabian yester-
day brought 115 Spanish prisoners,
\$75,000 insurgent government money,
and other property captured by Law-
ton's troops near Tayug on 25th.
Wheaton's troops, Fowler's company
Thirty-third, drove enemy westward
from Dagupan, a few miles south-
west of Dagupan, captured five 3-inch
muzzle-loading guns, 12 rifles, 12,000
rounds Maxim cartridges, 1,000 shrap-
nel, 600 pounds powder, and other
property, also 94 Spanish and 7 Ameri-
can prisoners. Bell, with Thirty-sixth
Infantry, in pursuit, and will march
down western Luzon coast."
"Indications are two or three bodies
insurgent troops, numbering probably
five hundred or more men each, in
mountains, west of railroad, can be
readily handled by MacArthur; they
have the bulk of the insurgent artil-
lery, all of which will be captured un-
less buried. Young still in pursuit of
Aguinaldo, who is heading for Bangued,
few miles east Vigan; Young, with
cavalry and scouts, is followed by bat-
talion Thirty-third, and by balance bat-
talion Twenty-second; two battalions
Thirty-third en route for Vigan by

military post road. Young's reception
by inhabitants most enthusiastic; they
give all aid possible. Aguinaldo has
collected more than 1,000 of his troops
at the north, probably most will de-
sert him. Number small detachments
insurgent troops throughout country
north of Manila have been captured
and inhabitants manifest gratitude for
deliverance. Indications are that in-
surgent force south of Manila disintegrat-
ing and troops going to their homes.
Reports from southern islands favora-
ble; Zamboanga insurgents surren-
dered to our troops and no trouble antici-
pated."

MARINES LANDED.

Later in the day the following dis-
patch was received from General Otis:
"Oregon landed marines at Nainog-
pacan, twenty miles north San Fernan-
do, on 23d, from which point passed
north into mountains. Troops will re-
lieve marines at Vigan 25th. Bulk
Spanish and American prisoners re-
ported at Bangued, twenty miles east
Vigan. Wheaton, San Fabian, just re-
ports capture of 73 more rifles; 1,100
dollars in money; also that he has been
obliged to take mother and son of
Aguinaldo under guard to Fabian to
prevent their murder by natives. Na-
tives in vicinity Bayambang, Naga-
viscaya, offering services to drive out
insurgents and request arms. Report
only four hundred insurgents there."

ARTILLERY SURRENDERED.

Report from Zamboanga says insur-
gents surrendered heavy artillery to
navy, and since have surrendered to
Nichols, commanding battalion. Twenty-
third Infantry, one hundred seventy-
nine rifles; one Nordenfolt and four
breach-loading cannons. Order re-
stored in town and vicinity. About
eighty Tagalos scattered in moun-
tains.

ENGLAND SERVES NOTICE.

THAT WAR EXISTS IN SOUTH AFRICA.

(By Telegraph to Virginian-Pilot.)
Washington, D. C., Nov. 27.—The
British Ambassador, Lord Pauncefoot,
has informed the Secretary of State
that in view of a doubt which ap-
peared to exist whether Her Majesty's
Government recognize that the hostilities
now in course of progress in South
Africa constitute a state of war be-
tween Great Britain and the two
South African Republics, has been di-
rected by the Marquis of Salisbury to
inform the Secretary of State, as an
act of courtesy, that the South African
Republic and the Orange Free State
having declared war against Her
Majesty, the Queen, and having in-
vaded the British colonies of the Cape
and Natal, a state of war has actually
existed since the 11th of October be-
tween England and the South African
Republic and the Orange Free State.

JEFFERDS WHIPPED.

A BIG NEGRO PROVES THE BEST MAN.

(By Telegraph to Virginian-Pilot.)
New York, Nov. 27.—The prize fight
between Bob Armstrong, the colored
heavy-weight boxer of Chicago, and
Jim Jeffers, of California, which was
slated to go 25 rounds before the Her-
cules Athletic Club to-night, ended ab-
ruptly in the third round. Both men
went head foremost from a clinch over
the ropes into a box at the ringside in
the second round, and in the third Jef-
fers took another header from the ef-
fects of a right swing on the jaw. This
took all the steam out of the big fellow,
and when he regained his feet he was
sent sprawling from a right swinging
upper-cut in the vicinity of the belt.
Jeffers rolled over in agony, and his
seconds claimed a foul on the ground
that he was hit below the belt. The
referee decided that the blow landed
fairly and gave his verdict in favor of
Armstrong, after Jeffers had been
counted out and carried to his corner
by the seconds.

Richmond Gets a Cruiser.

(By Telegraph to Virginian-Pilot.)
Washington, D. C., Nov. 27.—Con-
tracts for the six new 3,500-ton cruisers
were awarded to-day at the Navy De-
partment in accordance with the
recommendations of the Board of
Construction, one to each of the fol-
lowing firms: William R. Trigg, of
Richmond; Lewis Nixon, of Elizabeth-
port, N. J.; The Bath Iron Works,
of Bath, Maine; The Union Iron Works,
of San Francisco, Cal.; The Fore
River Engine Company, of Braintree,
Mass.; and Neale & Leavy, of Phila-
delphia. All the boats are to be con-
structed in accordance with the De-
partment's designs.

Convict Makes Spurious Coin.

(By Telegraph to Virginian-Pilot.)
Montgomery, Ala., Nov. 27.—An en-
terprising prisoner in the "walls" of the
Alabama penitentiary at Wetumpka,
Ala., has been working overtime in
making counterfeit money. The mould
was made by taking an impression in
wet plaster parls. The dollar pieces
were well made. The outfit was cap-
tured.

Death of a Virginia Lady.

(By Telegraph to Virginian-Pilot.)
Macon, Ga., Nov. 27.—Mrs. Virginia
Louisa Bartlett, mother of Congress-
man Charles L. Bartlett, died here to-
day at the age of 71 of heart failure.
She had been sick for several months.
Mrs. Bartlett's maiden name was
Saunders, and her people came from
Southampton, Va.

ATTACK PLANNED BY THE CUBANS

General Uprising Against Ameri-
cans Planned for Thanksgiving.

THE STORY DISCREDITED

Report Reaches the United States,
but Nothing is Known at Head-
quarters of General Brooke or Lee
to Justify it—An Uprising Expec-
ted if Nothing is Done Toward Giv-
ing Cubans Independence.

(By Telegraph to Virginian-Pilot.)
Havana, Nov. 27.—Nothing is known
at headquarters in this division, or
in General Lee's, to justify the re-
port, published in the United States
and cabled back here, that a thousand
armed Cuban insurgents have taken
to the woods in the Province of Pinar
del Rio, and that a general uprising
against the Americans have been
planned for Thanksgiving Day. In-
deed, the story is absolutely discred-
ited by the American authorities, who say
it is impossible that anything of the
kind should have happened or should
be in prospect without knowledge of it
coming to some army post.

BOERS LOSE AMMUNITION

A General Advance by the British
Upon Colenzo Ordered.

A COMBINED ATTACK

All Over the Country Planned by the
Boers for Yesterday—General Jon-
bert Expected to Strongly Dispute
the Passage of the Tugela River—
Another British Naval Contingent
for the Front—Queen's Thanks.

(By Telegraph to Virginian-Pilot.)
London, Nov. 28.—4:30 a. m.—A fresh
interruption in the East African cable
service at this interesting moment has
caused a cessation of war news. As
yet the War Office has not received
Lord Methuen's detailed list of casual-
ties, nor is any information at hand
regarding the whereabouts of the Ninth
Lancers, who were sent in pursuit of
the Boers from Gras Pan.

The Daily Mail says a private tele-
gram announces that the Lancers are
still scouting ahead of Methuen's ad-
vancing column, but as he announced
yesterday that he was giving his men
a day's rest this is hardly possible.

WHERE IS MILLER?

HEAD OF FRANKLIN SYNDICATE STILL MISSING.

(By Telegraph to Virginian-Pilot.)
New York, Nov. 27.—Hubert G. Tay-
lor, a lawyer, was appointed temporary
receiver for the defunct Franklin Syn-
dicate Bank to-day by Justice Smith,
of the Supreme Court. The application
was made by William O. Inglis, who
stated that he held twelve shares in
the company. According to Inglis the
liabilities exceed \$200,000, the assets be-
ing about \$9,000 in cash in the hands of
the police. Taylor was required to fur-
nish a bond of \$15,000.

The hearing set for this afternoon in
the case of Louis H. Miller, brother of
the missing man, did not take place
owing to the District Attorney not be-
ing ready to proceed, and the matter
was adjourned until Wednesday morn-
ing. Miller was released on \$1,000 bail.
Lawyer Robert Ammon, of Nassau
street, Manhattan, did not call on Dis-
trict Attorney Steel to-day to enlighten
him as to the whereabouts of his former
client, William F. Miller. Steele says
he is positive that Ammon does not
know where Miller is and that he is
as much in the dark regarding his hid-
ing place as the police are.

The police officials have found no
trace of the missing man. Letters pour-
ed in to-day from all parts of the
country written by persons who said
they had been deceived by literature
that had been sent broadcast by Miller
and his employees. All wanted informa-
tion as to the best way for them to
recover their money. Some of the writ-
ers in their letters stated that they
had deposited from \$200 to \$500. Other
syndicates conducted along lines simi-
lar to the Franklin Syndicate are be-
ing investigated by the police and by
the District Attorney of Kings county.
All institutions conducted on the "blind
pool" basis, which promise unusual
profits, are under surveillance.

John G. Agnew, who says he is the
manager of the Washington Syndicate
at No. 81 Greenpoint avenue, Brooklyn,
was taken into custody to-day by the
Brooklyn police on a warrant charg-
ing Agnew with violating Section 609
of the penal code, which makes it a
misdemeanor for a person to display a
banker's sign on his premises when he
does not rate as such. Agnew also had
printed on his bill-heads "private
banker."

He was later identified as a person
who four years ago was arrested for
running policy shops in the Borough of
Brooklyn. The indictment found
against him is still pending. Bail was
fixed at \$500. Agnew will have a hear-
ing in Police Court to-morrow.

EN ROUTE TO MEXICO.

Kansas City, Mo., Nov. 27.—William
F. Miller, the New York promoter of
the Franklin Syndicate, for whom hun-
dreds of detectives all over the country
are on the lookout, is reported to have
passed through Kansas City last Sat-
urday en route to Vera Cruz, Mexico.
Paul J. Mans, a Chicago newspaper
man, who is visiting friends in this
city, is quoted as having seen and talk-
ed to Miller on an incoming Maple Leaf
train. Miller apparently took the first
train southwest. No further trace of
him has been secured.

A SERIOUS HITCH.

BRITISH-GERMAN SAMOAN AR- RANGEMENT REJECTED.

(By Telegraph to Virginian-Pilot.)
Washington, D. C., Nov. 27.—The
United States has declined to accept
the agreement to the disposition of the
Samoan Islands reached by Great Brit-
ain and Germany. It was possibly the
leaking out of some information to this
effect that gave rise to the report cir-
culated in European capitals recently
of the development of a serious hitch
in the negotiations. As a matter of
fact, there is no serious hitch and the
reasons which influenced the State De-
partment here in rejecting the British-
German arrangement when it was sub-
mitted for approval related entirely to
minor matters, and touched rather upon
the form than the substance of the ar-
rangement. Having rejected the tenta-
tive treaty submitted by the other two
powers, our government has, in turn,
and at the instance of the other parties,
prepared and submitted a draft of a
treaty which, it is hoped, will be ac-
ceptable to all three powers. This is
now before the Foreign Offices at Lon-
don and Berlin for consideration, and it
is confidently believed here that it will
receive unanimous approval, not differ-
ing in principle, as already stated, from
the original project.

THE LATEST.

Cape Town, Nov. 27.—Afternoon.—It
is reported that General Methuen has
captured Honey Nest Kloof, ten miles
north of Gras Pan, and two million
rounds of ammunition.

ADVANCE UPON COLENZO.

Estcourt, Sunday, Nov. 26.—The rail-
road bridge at Frere, spanning a wide
stream, has been destroyed by the
Boers, who are reported to be retreating
rapidly.

A general advance upon Colenzo has
been ordered and a flying column has
left here to intercept the Boer raiding
parties.

A reliable messenger from Ladysmith
says he gathered from the Boers that
they had proposed a combined attack,
all over the country, for to-day.

General Joubert is expected to stoutly
dispute the passage of the Tugela river.

HILLYARD'S LOSSES.

Durban, Natal, Nov. 26.—The latest
reports of General Hillyard's losses at
the Beacon Hill engagement show that
fifteen men were killed and seventy-two
wounded. The West Yorkshire Regi-
ment suffered heavily. Major Hobbs

CAMPAIGN OF EVACUATION.

Rumors of a more or less alarmist
character have for some time been
plentiful around Havana. It is said,
for instance, that this general or that
is about to take to the woods, and it
is apparently true that certain men
are nursing programs hostile to the
American administration. But the
spread of the campaign of education
is doing a great deal to offset the in-
fluence of such people, and in any
event no trouble whatever is likely to
occur until after Congress meets.

A RISING EXPECTED.

It is a fact, however, that many
Americans here believe that if nothing
is done toward giving the Cubans some
definite assurances, if not a precise
date, regarding the independence of the
island, there will be a rising of some
sort, although opinions differ widely
with regard to what it will amount to.
Some believe that the malcontents
would be practically bandits, easily
controlled by a few troops. Others hold
that the rising would be formidable
and would call for a large American
force.

HELP FROM AMERICA.

London, Nov. 27.—Sir Thomas Lipton,
in view of the fact that his steam yacht
Erin cannot be utilized by the Govern-
ment as a hospital ship, has sent £10,-
000 to the Princess of Wales to be used
at her discretion, for the benefit of
the soldiers and sailors. The executive
committee of the American Ladies'
Hospital Ship Fund has received an
anonymous gift of £5,000 from the
United States, together with a promise
of as much more if it should be
needed.

President Cancels Engagements

Washington, D. C., Nov. 27.—Out of
respect to the memory of the late Vice-
President Hobart the President has
cancelled all his engagements for the
present. The members of the Cabinet
have done likewise and the adminis-
tration will observe a period of mourning.

and General Joubert found on a Boer
prisoner said the Boer losses at Belmont
were ten men killed and forty wounded.
It added, in order to reassure the
burghers that it had been deemed nec-
essary to fall back on Warrenton.

A pigeon message from Colonels Ham-

reports all well.

Another naval contingent from the
British first-class cruiser Terrible, with
two 4.7-inch guns, started for the front
to-night.

NAVAL LOSSES.

London, Nov. 27.—The commander-
in-chief at the Cape has sent the
Admiralty the additional list of casual-
ties among the British naval brigade
engaged at the battle of Gras Pan, as
follows:

"Midshipman Huddart, of the cruiser
Doris, and ten sailors and marines
killed; and 13 petty officers and sea-
men and 76 non-commissioned officers
and men of the marines wounded.
Total casualties, 105.

the naval brigade, who were present
at the action at Gras Pan, Her
Majesty's congratulations on their gall-
ant conduct, and at the same time
express the Queen's regret at the losses
sustained by the brigade."
